Experts with over 100 years of experience

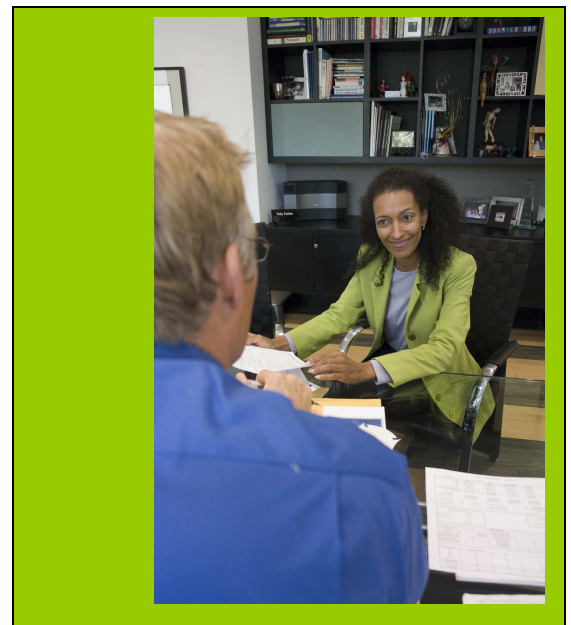

Create “invested” staff

The loss of one employee costs thousands of dollars and valuable time

Take advantage of MIE’s expert interview services to assist in making the best employee investment

Expert Interview Services

MIE can assist you in the hiring process by writing ads, reviewing resumes, conducting phone screen and interviewing for hospitality positions. We are impartial professionals who assist with the entire interview and hiring process by combining the information gathered by hotels during the initial interview phase. This expert recommendation benefits employers by allowing them to make a final, informed decision based on an impartial evaluation of skills sets and character.
